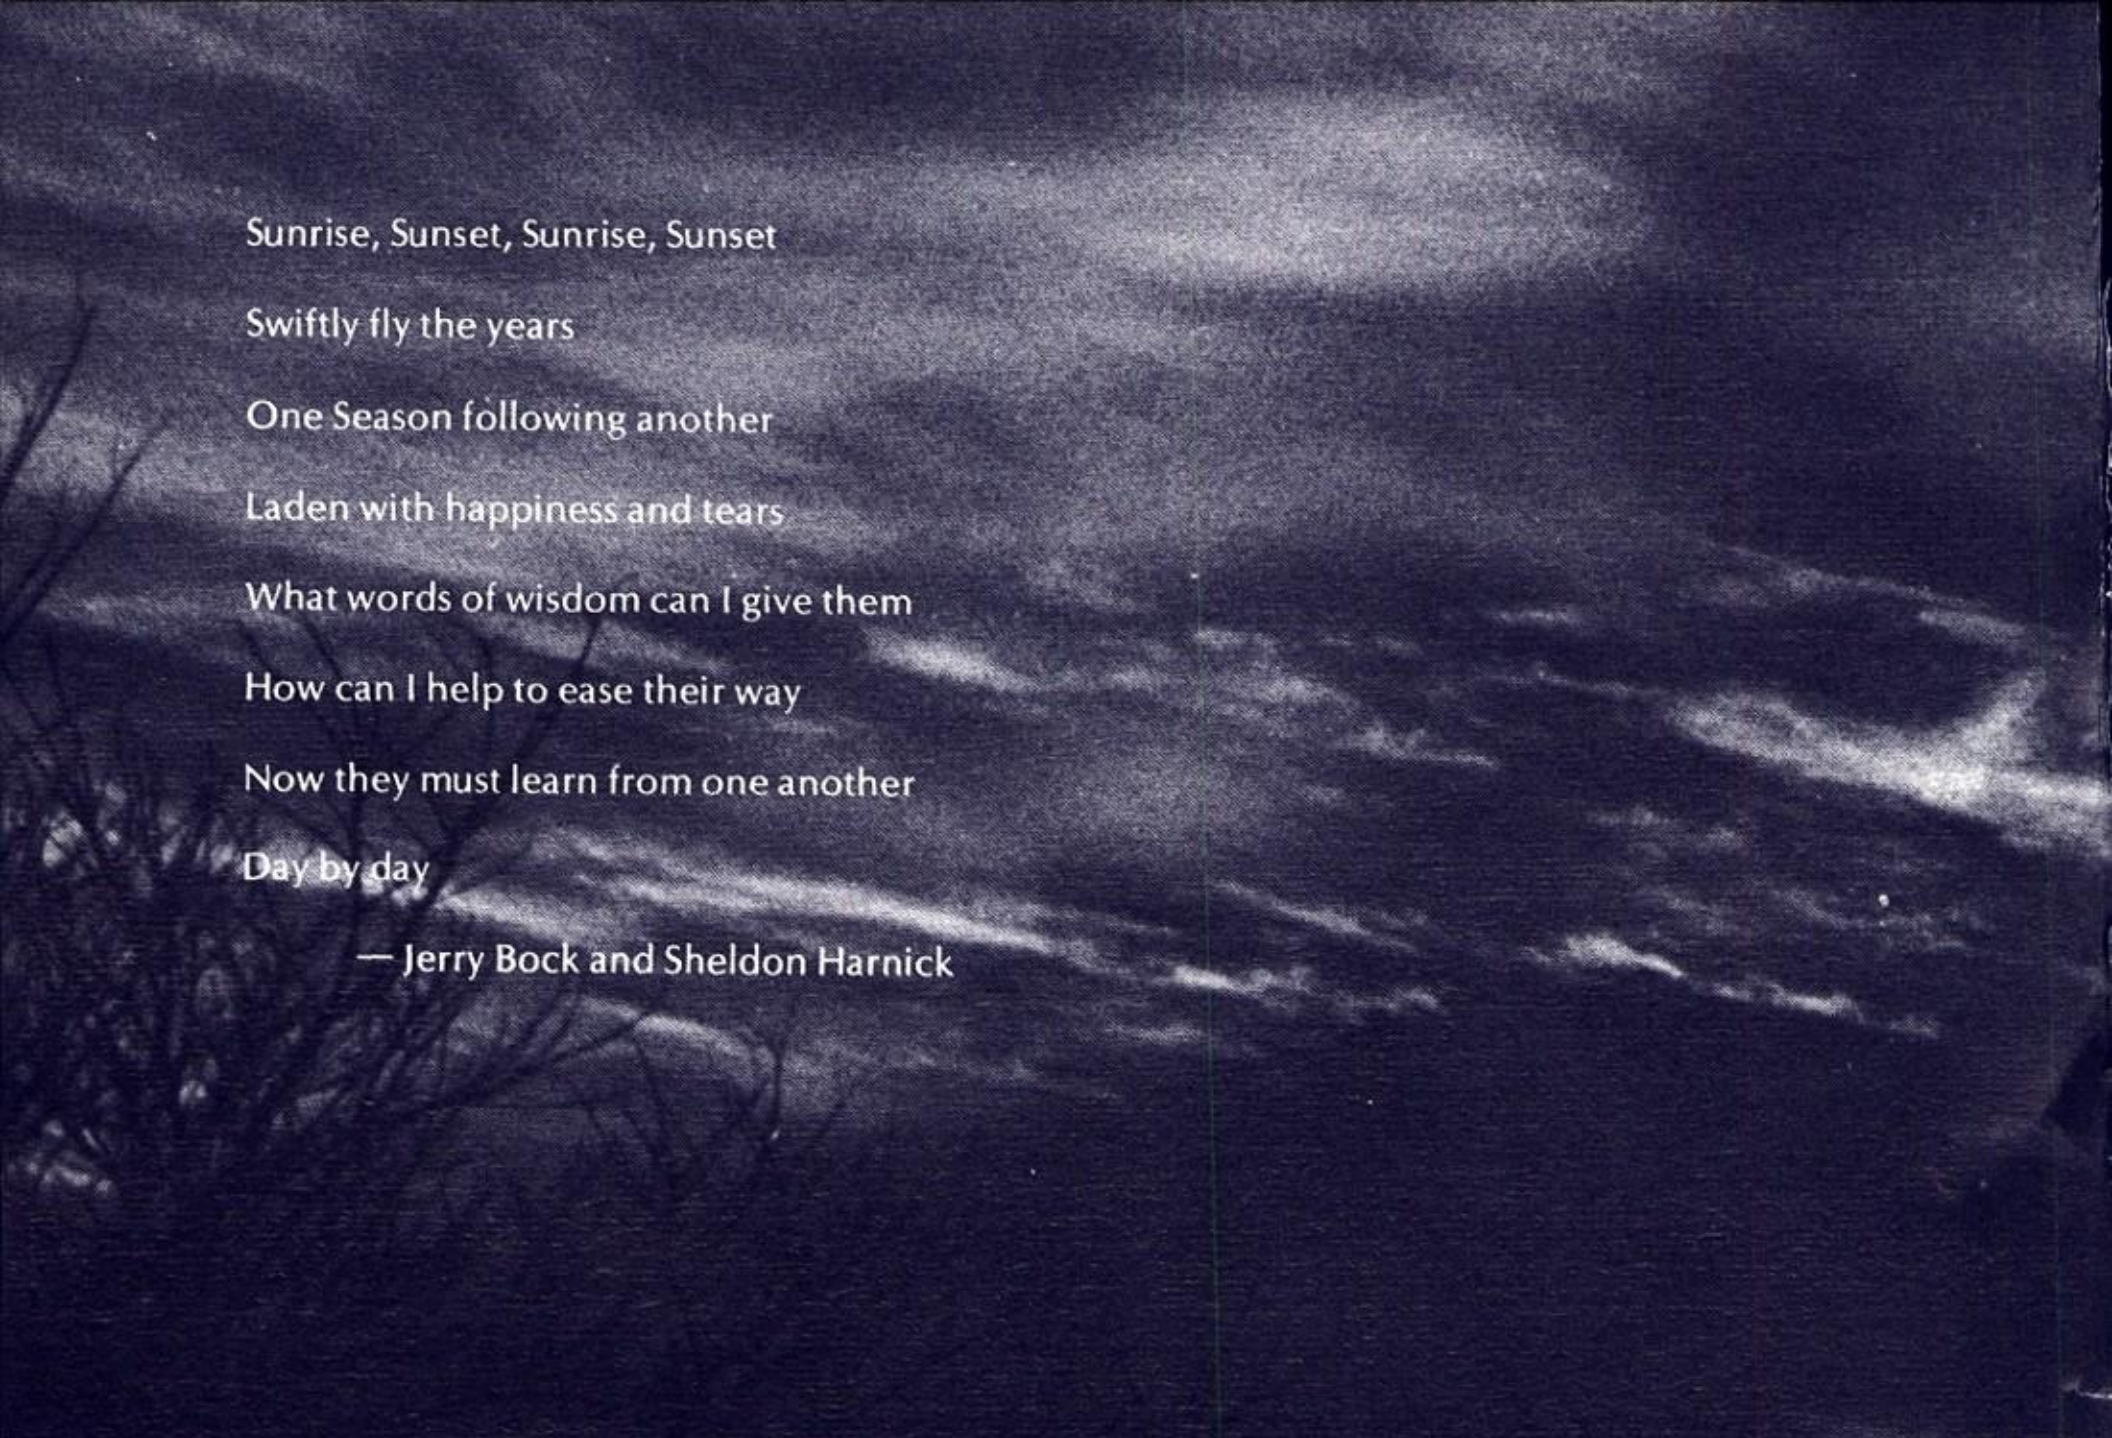
THE MOUNTAINEER

19 72



Sunrise, Sunset, Sunrise, Sunset

Swiftly fly the years

One Season following another

Laden with happiness and tears

What words of wisdom can I give them

How can I help to ease their way

Now they must learn from one another

Day by day

For everything there is a season and a
time for every matter under heaven:
A time to be born, and a time to die;
A time to plant, and a time to pluck
up what is planted;
A time to kill, and a time to heal;
A time to break down, and a time to
build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and a
time to gather stones together;
A time to embrace, and a time to
refrain from embracing;
A time to seek, and a time to lose;
A time to keep, and a time to cast
away;
A time to rend, and a time to sew;
A time to keep silence, and a time
to speak;
A time to love, and a time to hate;
A time for war, and a time for peace:

The seniors selected, a boy and a girl, attend the weekly meetings for one month. They are treated as regular members, and at the end of their visit as Junior Rotarians they give a talk on their impressions of adult community life.
